

A silhouette of a hiker with a backpack and arms raised in triumph stands on a mountain peak. The background features a sunset sky with soft colors and a large mountain, likely Mount Fuji, in the distance. The overall mood is one of freedom and achievement.

Living Free in a Broken
World
I Timothy 1-2

The More Freedom we Have, we Become More Enslaved

Sexual freedom

Experimental freedom

Relational freedom

The more you do as you please, the less you will be pleased with
what you do

Freedom comes from being a slave to Jesus Christ

"In God we trust": the founding truth of this country

Three Building Blocks to Enjoying and Living in Freedom

Face Your Past

Paul got saved from being religious and gave Jesus Christ
lordship of his life

Everybody has a past

You have a story to tell of your spiritual journey

One central fact common to all testimonies: we once were lost,
but now we're found

Face Your Past

Sharing your testimony is one of the most powerful things you can do in promoting liberty

It reminds you of where you came from; Isaiah 51:1

You reveal to others that what happened to you can happen to them

Fight for Truth

If ISIS members are willing to die for a lie, aren't we willing to live for the truth?

Every believer has a solemn duty to resist attacks on the truth

Pray For People

Our response: love people and pray for people

Because unbelievers are blind, they can't see at all; God must
open their eyes

Practical Lessons From Today's Message

Talk to yourself and others about yourself: face your past

Talk to men and women about God: fight for truth

Talk to God about men: pray for people

There's only one Man who died for the freedom of us as humans:

Jesus
