This Is What We Are To Do

He said you love and this is under the banner
under the law of love

you can't have love without law and you can't
have law without love

love is the fulfillment of the law it's not the end
of the law

Jesus handled a very tough situation

Jesus said “give to Caesar what belongs to Caesar and what belongs to God give that to Him”

Jesus was saying that as a human being, you were minted by the Almighty God and God’s image is in you in your free will,

There's an exception as far as when we do stay
under the yolk of government.

vs.11 *Do* this, knowing the time, that it is already the
hour for you to awaken from sleep; for now salvation
is nearer to us
